Montaggio incontri Edge e Shape per serratura Verso
Edge and Shape striking plate installation for Verso lock

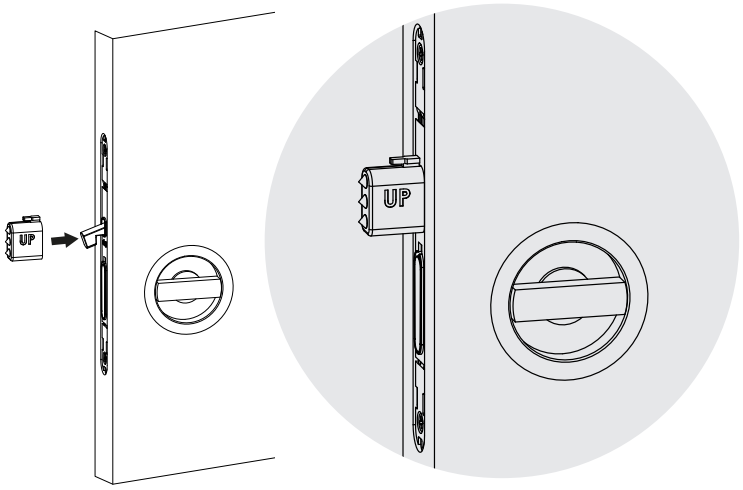

Video montaggio incontri
Striking plate installation video

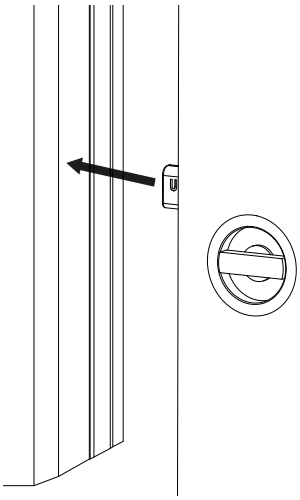

Utilizzare il centratore per il montaggio degli incontri sul telaio
Use centring device for mounting striking plates on frame

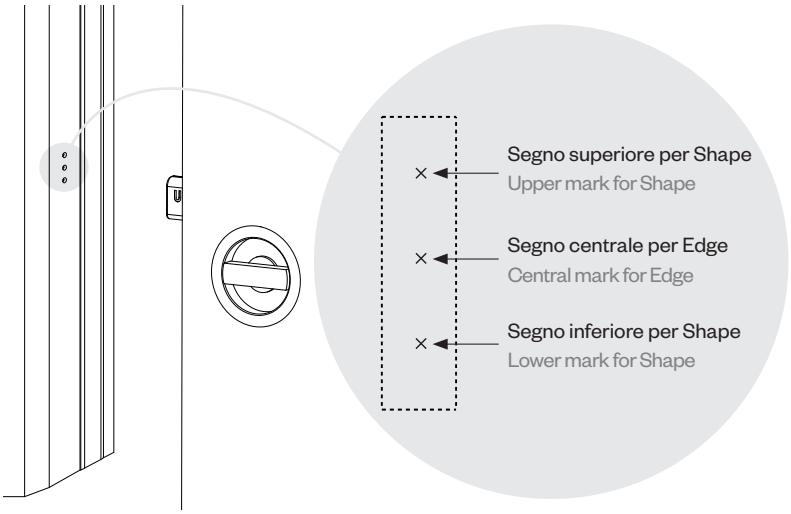

1 Azionare la serratura facendo uscire il gancio
Operate the lock by releasing the hook

2 Applicare il centratore sul gancio della serratura
Apply the centring device to the lock hook

3 Chiudere la porta appoggiando il centratore contro il telaio
Close the door by placing the centring device against the frame

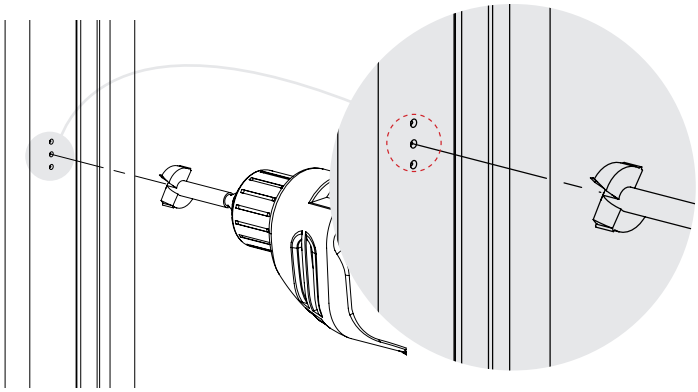

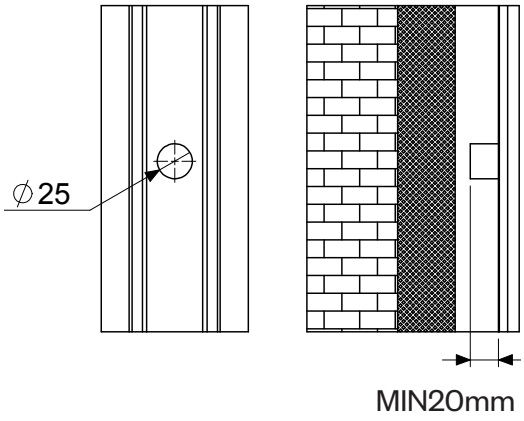

4 Assicurarsi che sul telaio compaiano tre segni lasciati dal centratore
Make sure that three marks left by the centering tool appear on the frame

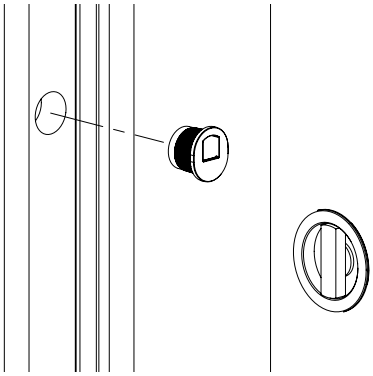

Montaggio incontro Edge per serratura Verso
Edge striking plate installation for Verso lock

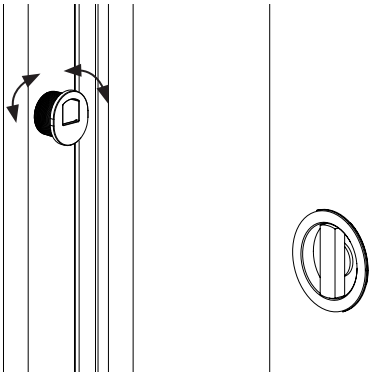

Video montaggio incontri
Striking plate installation video

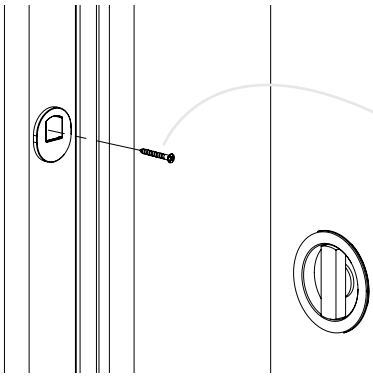

5A Forare il telaio utilizzando il segno centrale lasciato dal centratore
Drill on the central mark

VITE FACOLTATIVA
suggerita per maggiore tenuta
se il telaio lo permette

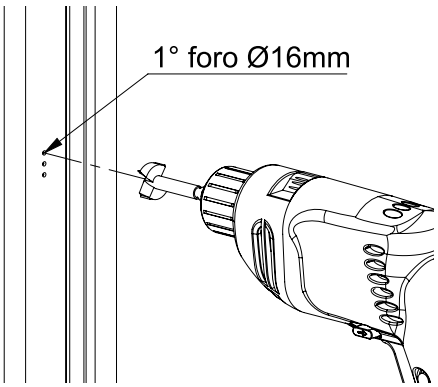

OPTIONAL SCREW
Recommended for greater grip if the door frame allows it

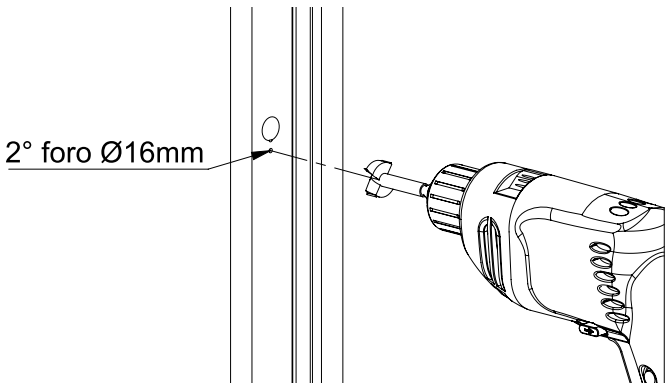

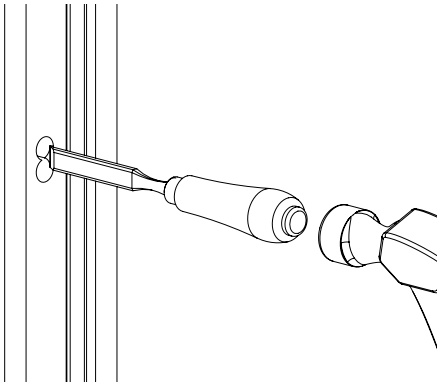

Montaggio incontro Shape per serratura Verso
Shape striking plate installation for Verso lock

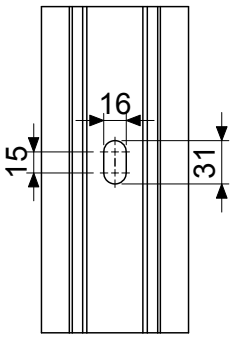

Video montaggio incontri
Striking plate installation video

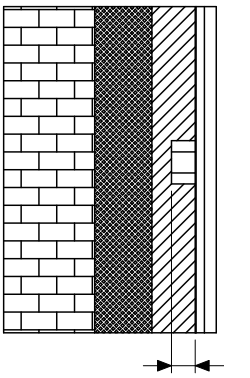

5B Forare il telaio utilizzando il segno superiore e inferiore lasciato dal centratore
Drill on the upper and lower mark
